

PRIVACY POLICY

The company processes the personal data found in the rental system database, respecting the principles of personal data protection provided for in National, Union and International law, as applicable from time to time and especially as from 25-05-2018 in our country, in accordance with the new general European Regulation 679/2016 on the Protection of Personal Data.

Our company ensures the lawful and appropriate procedure for the protection, security, integrity and confidentiality of the personal data received, in order to prevent any unauthorized or illegal access and processing to these data. In this context, our company proceeds to the lawful and fair processing of all personal data it collects, stores and processes, in a transparent manner with respect to the data subject.

The information is used in order to respond to your requests and for the best service in accordance with this policy. Our company collects personal information of visitors only when they voluntarily provide it, in order to provide the services that are available.

Personal information is the information that can be used to identify or communicate with a person, as well as other information concerning him or her.

The company reserves the right to make any appropriate changes to these rules at any time.

We retain the personal information of our guests for as long as necessary in order to provide our services and comply with our legal obligations. In the event that our visitors no longer wish us to use their personal information or to provide our services, they may request in writing that we delete their personal information. It should be borne in mind that if requested to delete their personal information, we will retain the information necessary for our legitimate business interests, for our compliance with the law, for preventing fraud, collecting fees, resolving disputes and problems, improving the Terms of Use and other actions permitted by law. The information we hold will be treated in accordance with this Privacy Policy.

Our company guarantees that the personal data of its visitors/users will not be used for other purposes than those mentioned above in these terms, without their prior notification, approval and consent.

Our company will not make available, forward or disclose personal information of

visitors to third parties, not related to it, without their consent, except in response to its legal obligations to the relevant public authorities.

We may disclose the personal information of our visitors to all persons of our company, the providers of support systems for processing such data, our insurance company, our financial institution, institutional bodies that provide services on our behalf, and any other person to whom we are obliged to disclose them, following a court order.

In any case, our company takes the necessary measures to ensure that all personal data information transmitted, receive an acceptable level of protection.
